

The Wandering Kitchen

We are passionate about good food and care about where the food on your plate has come from.

We make a lot of what you see on the menu ourselves, what we don't make we source locally and we are proud to support some wonderful local businesses.

We are also conscious of the environment and all our packaging is compostable.

Please download and complete our order spreadsheet and return to orders@thewanderingkitchen.co.uk at least 48 hours prior to the event.
